	**Flash point indicated the temp that the oil will ignite if in contact with an open flame.									
	In house mixes are exclusive to Village Craft and Candle. Since we cannot determine the flashpoint of a mix, we have listed the flashpoints of the individual oils combined to create the fragrance.									
	Fragrances marked gel safe can be verified safe by mixing 3 parts mineral oil to one part fragrance AND in a separate container 3 parts fragrance to one part mineral oil. Neither mixture should separate after 24 hours.									
	All fragrances are compositions of aroma chemical and will change as they age. Fragrances are best used within a year.									
	Designed for Soy Scents									
Almost Paradise	Mossy summer woods with spicy barks to create a tranquil earthy experience. Inspired by nature's finest botanical fragrances, Almost Paradise is sure to inspire long after your candle's flame is extinguished.						yes
